Ethnicity form

Our ethnic background describes how we think of ourselves. This may be based on many things, for example, our skin colour, language, culture, ancestry or family history. Ethnic background is not the same as nationality or country of birth.

The Information Commissioner recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Pupils aged 16 or over can make this decision for them.

Please study the list below and tick one box only to indicate the ethnic background of the child named in the Registration form attached to this form. Please also tick whether a parent or the child filled in the form.
