1 Aims

- 1.1 This is the Anti-bullying policy of Exeter Pre-Prep School (**School**), Department for Education number 878/6046 and applies to Nursery, Reception and Years 1 and 2.
- 1.2 The aims of this policy are:
 - 1.2.1 to actively promote and safeguard the welfare of pupils at the School;
 - 1.2.2 to maintain and drive a positive and supportive culture among all pupils and staff throughout the School;
 - 1.2.3 to prevent bullying, detect it when it occurs, and respond to it appropriately on a case-by-case basis; and
 - 1.2.4 to help to promote a whole school culture of openness, safety, equality and protection from all forms of harm and abuse.
- 1.3 This policy forms part of the School's whole school approach to promoting child safeguarding and well-being, which seeks to involve everyone at the school to ensure that the best interests of pupils underpins and is at the heart of all decisions, systems, processes and policies.
- 1.4 Although this policy is necessarily detailed, it is important to the school that our policies and procedures are transparent, clear and easy to understand for staff, pupils, parents and carers. The School welcomes feedback on how we can continue to improve our policies.

6 Definitions

6.1 Where the following words or phrases are used in this policy:

- 6.1.1 References to the **Proprietor** are references to the Board of Governors of Exeter School.
- 6.1.2 References to **Parent** or **Parents** means the natural or adoptive parents of the pupil (irrespective of whether they are or have ever been married, with whom the pupil lives, or whether they have contact with the pupil) as well as any person who is not the natural or adoptive parent of the pupil, but who has care of, or parental responsibility for, the pupil e.g. legal guardian, education guardian and / or host parent / carer.

7 Bullying

7.1 Bullying is always unacceptable and will not be dismissed as being normal or as "banter", "just having a laugh", "boys being boys" or simply "part of growing up". Bullying will not be tolerated by the School because:

- 7.1.1 it is harmful to the person who is bullied, to those who engage in bullying behaviour, and those who support them, and can in some cases lead to lasting psychological damage and even suicide;
- 7.1.2 it interferes with a pupil's right to enjoy their learning and leisure time free from intimidation; and
- 7.1.3 it is contrary to all our aims and values, our internal culture and the reputation of the School.

7.2 Bullying is behaviour by an individual or group, that intentionally hurts another individual or group either physically or emotionally. Bullying is often motivated by prejudice against particular groups. Bullying may be:

- 7.2.1 **Physical:** hitting, kicking, pushing people around, spitting, shaking, biting, hair pulling or taking, damaging or hiding possessions;
- 7.2.2 **Verbal:** name-calling, gossiping, taunting, teasing, insulting, threatening or undermining, humiliating or demanding money, writing or sending unkind notes or messages, including cyberbullying;
- 7.2.3 **Non-verbal abuse:** hand signs or text messages (see also cyberbullying below);
- 7.2.4 **Emotional abuse:** controlling or manipulating someone, making silent, hoax or abusive calls, being intentionally unfriendly, tormenting looks, spreading rumours;
- 7.2.5 **Exclusionary behaviour:** intimidating, isolating or excluding a person from a group;
- 7.2.6 **General unkindness:** constant criticism, spreading rumours or writing unkind notes, mobile phone texts or emails;

- 7.2.7 **Initiation / hazing type behaviour:** rituals which may include but is not limited to activities involving harassment, abuse or humiliation used as a way of initiating a person into a group;
- 7.2.8 **Low level disruptive behaviour:** wearing "banter" and "horseplay" over a prolonged period of time;
- 7.2.9 **Cyberbullying:** bullying that takes place using technology. This may include bullying through the use of mobile electronic devices, social media or gaming sites. See [Appendix 1](#) to this policy for guidance for pupils about cyberbullying. The School's separate IT Acceptable use policy for pupils sets out the School rules about the use of technology including mobile electronic devices;
- 7.2.10 **Prejudice-based bullying:** bullying that is motivated by actual or perceived differences between children, such as where a child is adopted, in care or has caring responsibilities;
- 7.2.11 **Harmful sexual behaviours:** includes sexual harassment and sexual violence:
- (a) **sexual harassment:** unwanted conduct of a sexual nature that can occur online and offline. It can include but is not limited to:
 - (i) sexual comments, such as telling sexual stories, making lewd comments, making sexual remarks about clothes and appearance and calling someone sexualised names;
 - (ii) sexual jokes or taunting;
 - (iii) physical behaviour such as deliberately brushing against someone, interfering with their clothes, displaying pictures, photos or drawings of a sexual nature;
 - (iv) online sexual harassment which may include: non-consensual sharing of sexual images and videos (sharing of nudes or semi-nudes images and videos, otherwise known as sexting or youth produced sexual imagery, including digitally manipulated or AI-generated sexual imagery); inappropriate sexual comments on social media; exploitation; coercion and threats; upskirting.

Incidences of sexual harassment will be investigated to ensure they are not part of a wider pattern of sexual harassment and / or sexual violence.
 - (b) **sexual violence:** sexual offences under the Sexual Offences Act 2003, specifically rape, assault by penetration, sexual assault and causing someone to engage in sexual activity without consent.

7.3 **Discrimination-based bullying:** bullying may also be:

- 7.3.1 sexist: related to a person's sex or gender reassignment;
- 7.3.2 racist, or regarding someone's religion, belief or culture;
- 7.3.3 related to a person's sexual orientation (homophobic bullying);

- 7.3.4 related to pregnancy and maternity;
 - 7.3.5 related to a person's home circumstances;
 - 7.3.6 related to a person's disability, special educational needs, learning difficulty, health or appearance;
 - 7.3.7 related to a person's age; or
 - 7.3.8 **LGBT-based bullying:** Children who are lesbian, gay, bisexual, or transgender (**LGBT**) can be targeted by other children. In some cases, a child who is perceived by other children to be LGBT (whether they are or are not) can be just as vulnerable as children who identify as LGBT. Risks can be compounded where children who are LGBT lack a trusted adult with whom they can be open. It is therefore vital that staff endeavour to reduce the additional barriers faced and provide a safe space for them to speak out or share their concerns with members of staff to help counter homophobic, biphobic and transphobic bullying and abuse.
- 7.4 Racial, sexual, biphobic, transphobic or homophobic bullying and bullying someone because they have a disability are also hate crimes.
- 7.5 Some individuals may see their conduct as "teasing" or "a game" or "for the good of" the other person and not deliberately intended to hurt. These forms of bullying are equally unacceptable but may not be malicious and can often be corrected quickly depending on the circumstances. If left unchallenged or dismissed low level disruption can have a wearing, and significant impact on targeted individuals exposed to such behaviour and may lead to a culture of failing to report. This is not a culture the School adopts. In some circumstances it may be necessary to consider disciplinary sanctions in response to this type of behaviour.
- 7.6 A person who makes a physical or sexual assault on another, or who steals or causes damage to the property of another, commits a criminal offence. Bullying may also be regarded as threatening behaviour or harassment which can be either a criminal offence or a civil wrong. Certain acts of voyeurism e.g. upskirting which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing parts of their body or clothing not otherwise visible to obtain sexual gratification, or cause the victim humiliation, distress or alarm are criminal offences. Misuse of electronic communications could also be a criminal offence, for example it is an offence to send an electronic communication (such as a text message or email) to another person with the intent to cause distress or anxiety.
- 7.7 **Safeguarding and child-on-child abuse**
- 7.7.1 Bullying is closely connected with pupil well-being and therefore will often require a safeguarding response. Bullying demonstrates a lack of respect for others which can overlap with abusive and harassing behaviour and which, in turn, can lead to a culture of unacceptable behaviours and an unsafe environment for children. All this informs the school's zero-tolerance approach¹, and it is essential that all staff understand the

¹ This wording reflects KCSIE, but schools should be aware of the research undertaken by the Lucy Faithfull Foundation, Everyone's Safer which concludes that these approaches may deter disclosure, particularly when students fear harsh sanctions or feel their peers will be stigmatised and consider how to address this.

importance of challenging inappropriate behaviours between peers that are actually abusive in nature.

- 7.7.2 Child-on-child abuse can occur both inside and outside of School and may be taking place whilst not being reported. A one size fits all approach is not appropriate for all pupils, and a contextualised approach for more vulnerable pupils, victims of abuse and pupils with special educational needs and disabilities or certain medical or physical health conditions may be required. Certain behaviours, for example dismissing sexual harassment as "just banter", "just having a laugh", "part of growing up" or "boys being boys" can lead to a culture of unacceptable behaviours and create an unsafe environment for pupils. In worst case scenarios, dismissing sexual harassment can lead to a culture that normalises abuse and pupils accepting it as normal and not coming forward to report it.
- 7.7.3 Technology is a significant component in many safeguarding and well-being issues. Pupils are at risk of abuse online as well as face to face. This can take the form of abusive, harassing, misogynistic and misandrist messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography.
- 7.7.4 In line with the School's aims and culture of openness and encouragement to report, the School's policy and procedures with regard to child-on-child abuse are set out in Appendix 3 of the School's Safeguarding and child protection policy and procedures. Concerns about a pupil's welfare because they are the victim, witness or perpetrator of bullying behaviour must be reported in accordance with the Safeguarding and child protection policy and procedures and appropriate action taken, taking into account the Local Safeguarding Partners' threshold document.

8 Anti-bullying culture and systems

- 8.1 It is everyone's responsibility to ensure, whatever the circumstances, that no-one becomes a victim of bullying. A person may be vulnerable to bullying because of their age, physical appearance, nationality, colour, sex, sexual orientation, gender reassignment, religion or belief, culture or learning difficulty, disability, home circumstances or because they are new in the School, appears to be uncertain or has no friends. They may also become a target because of an irrational decision by a bully.
- 8.2 Our expectation of all members of the School community is that:
 - 8.2.1 everyone will uphold the School rules;
 - 8.2.2 a pupil or a member of staff or volunteer who witnesses or hears of an incident of bullying will report it in accordance with the terms of this policy;
 - 8.2.3 a complaint of bullying will always be taken seriously; and
 - 8.2.4 no-one will tolerate unkind actions or remarks or stand by when someone else is being bullied.

8.3 In School and in every year group:

- 8.3.1 discriminatory and offensive words and behaviour are treated as unacceptable;
- 8.3.2 positive attitudes are fostered towards people with any protected characteristic including those who are disabled and towards ethnic, religious, cultural and linguistic groups within and outside the School;
- 8.3.3 positive attitudes are fostered towards gender and sexuality differences through the curriculum and tutorials; and
- 8.3.4 incidents of bullying which are based on protected characteristics will be distinguished in the School's records.

8.4 Proprietor

- 8.4.1 The Proprietor has overall responsibility for promoting and safeguarding the welfare of pupils at the School, ensuring that those in leadership and management positions actively promote pupil well-being. This includes ensuring that policies and procedures are in place and implemented effectively to:
 - (a) facilitate an inclusive environment where pupils can openly discuss the cause of their bullying, without fear of further bullying;
 - (b) minimise the risk of bullying at the School so that pupils and staff feel safe and secure;
 - (c) intervene early in low-level disruption to prevent negative behaviours escalating;
 - (d) make it easy for pupils to report bullying so that they are assured that they will be listened to and incidents acted on. (Pupils should refer to section 9 of this policy for guidance on how they can report concerns);
 - (e) deal swiftly with allegations and incidents of bullying at the School so that pupils and staff feel confident that all incidents will be dealt with appropriately;
 - (f) consider incidences of sexual harassment in broad terms so that it is challenged in order to prevent the normalisation of behaviours which can provide an environment that may lead to sexual violence.

8.5 Staff

- 8.5.1 Through their training and experience, members of staff and volunteers are expected to promote an anti-bullying culture by:
 - (a) celebrating achievement;
 - (b) anticipating problems and providing support;
 - (c) adopting a proactive interactive approach to bullying by gathering intelligence about issues between pupils which might provoke conflict and developing strategies to prevent bullying occurring in the first place;

- (d) disciplining perpetrators fairly, consistently and reasonably, taking into account any special educational needs or disabilities of the pupil, taking into account the motivations and any underlying safety concerns of the perpetrator and providing support as appropriate;
- (e) being alert to the fact that some victims, witnesses and perpetrators may themselves be vulnerable to bullying or harassment following any report of sexual violence or sexual harassment;
- (f) making opportunities to listen to pupils;
- (g) acting as advocates of pupils;
- (h) exercising professional curiosity and knowing what to look for to detect abuse and to identify children who may need help or protection;
- (i) reporting concerning behaviour in accordance with the provisions outlined in this policy, adopting an "it could happen here" approach.

8.5.2 Members of staff and volunteers are always vigilant but particularly:

- (a) at the start and end of the school day when pupils arrive and leave the site;
- (b) before lessons;
- (c) in the queue for the dining hall and in the dining hall itself;
- (d) in School corridors; and
- (e) on School transport / School trips.

8.5.3 Bullying is regularly discussed in staff meetings. The result of these meetings is to feedback information about friendship patterns, particular incidents, any pupil who seems to be isolated, any growing "power base" and any known conflict between pupils so that strategies can be developed to prevent bullying incidents.

8.6 Pupils

- 8.6.1 Through the School's pastoral care programme, pupils are informed and taught that bullying will not be tolerated in the School. They are encouraged:
- (a) to celebrate the effort and achievements of others;
 - (b) to hold and promote positive attitudes;
 - (c) to feel able to share problems with staff;
 - (d) to turn to someone they trust, if they have a problem;
 - (e) not to feel guilty about airing complaints;
 - (f) to be kind, considerate and tolerant towards others;
 - (g) to be aware of the impact their behaviour can have on others;

- (h) to challenge their peers if they are unkind to others;
- (i) to openly discuss differences between people that could motivate bullying;
- (j) to celebrate the diversity of others;
- (k) to use technology safely and securely and to be aware of the risks and impact of the use of technology and generative AI tools on themselves and others.

8.6.2 Measures are taken throughout each year to educate pupils about bullying and this policy, using age-appropriate concepts. These measures include:

- (a) the PSHE and relationships education curriculum includes lessons on bullying;
- (b) the School community will challenge stereotypical opinions so negative views are not perpetuated e.g. misogyny or misandry;
- (c) anti-bullying posters placed around the School;
- (d) anti-bullying messages are given in assemblies;
- (e) the School once a year holding and celebrating an anti-bullying week, usually in November;
- (f) online safety is a key aspect of all areas of the curriculum. Parents are informed about online safety issues and the School's strategies to safeguard pupils through correspondence and events such as Safer Internet Day in February. See the School's Online safety policy for further information about the School's online safety strategy, including its approach to filtering and monitoring and the use of generative AI;

8.6.3 The School recognises that children with special educational needs and disabilities and certain medical or physical health conditions can face additional safeguarding challenges, including the potential to be disproportionately impacted by behaviours such as peer group isolation bullying, without outwardly showing any signs. The School will consider extra pastoral support for pupils with special educational needs and disabilities, as required.

8.7 Parents

8.7.1 The School will take active measures to promote an anti-bullying culture and make it clear to parents that bullying amongst pupils or towards staff will not be tolerated by the School.

9 Reporting concerns

9.1 Pupils

- 9.1.1 A pupil who is being bullied, or who is worried about another pupil being bullied, whether in School or outside of School (including cyberbullying) should tell someone without delay and can do so in several ways. They can:
- (a) tell their parents, class teacher, teaching assistant or any trusted member of staff or volunteer at the School
 - (b) make an anonymous report using the Whisper app. The Designated Safeguarding Lead will be notified of the report and will offer advice and support. The pupil will be encouraged to identify themselves and provide more information in person, if required, to enable the school to be able to investigate the matter properly and reach a satisfactory resolution.
 - (c) contact the NSPCC Helpline (0808 800 5000) or Childline (0800 1111).

9.2 Parents

- 9.2.1 Parents who are concerned that their child is being bullied should inform their child's class teacher without delay.

9.3 Staff

- 9.3.1 A member of staff or volunteer who learns of alleged bullying behaviour should:
- (a) respond quickly and sensitively by offering advice, support and reassurance to the alleged victim;
 - (b) listen carefully and keep an open mind;
 - (c) not ask leading questions;
 - (d) reassure the child but not give a guarantee of confidentiality; and
 - (e) report the allegation to an appropriate member of the leadership team as soon as possible.
- 9.3.2 The relevant member of leadership team must inform Head and contact the relevant class teacher to agree on a strategy for dealing with the matter.
- 9.3.3 If the alleged bullying behaviour raises a safeguarding concern, the matter should be reported in accordance with the School's Safeguarding and child protection policy and procedures before further investigation is carried out. In the case of bullying potentially involving harmful sexual behaviours, staff will follow guidance set out in Part 5 of KCSIE.
- 9.3.4 This policy focuses mainly on the bullying of pupils by pupils (i.e. child-on-child) although it is recognised that a staff member could be a victim of and on occasion may be perceived to be the perpetrator of bullying behaviour. The bullying of staff, whether by pupils, parents or other

colleagues, is unacceptable. Staff members who are concerned about being bullied or harassed should refer to the School's Staff Handbook. Pupils and parents who feel that a member of staff is bullying should report this in accordance with the procedures set out above.

10 Why incidents might not be reported

10.1 There are many reasons why a pupil who has suffered bullying may be reluctant to report it. They may become demoralised and may think, for example:

- 10.1.1 it is telling tales;
- 10.1.2 they won't believe me because the person I am complaining about is popular and I am not, and I will become even more unpopular;
- 10.1.3 the things they are saying and doing are too embarrassing to discuss with an adult;
- 10.1.4 it is all my fault anyway for being overweight / too studious etc;
- 10.1.5 there are too many of them; there is nothing the staff can do;
- 10.1.6 it will get back to my parents and they will think less of me;
- 10.1.7 I will just try and toughen up and grow a thicker skin;
- 10.1.8 I will lie low and not draw attention to myself;
- 10.1.9 this is a normal part of growing up and going to school.

10.2 There are also reasons why a pupil who has witnessed or learned of bullying behaviour may not want to make a report. They may think:

- 10.2.1 it is "grassing", "snitching" and "I will become unpopular";
- 10.2.2 "it is not my concern anyway";
- 10.2.3 "I don't like the victim and I would find it embarrassing to be associated with them".

10.3 Any of these responses would be contrary to our culture at the School. When we implement this policy we encourage every pupil (and their parents) to understand that:

- 10.3.1 every complaint of bullying will be taken seriously;
- 10.3.2 members of staff and volunteers will deal with a complaint correctly and effectively in accordance with their experience and the training they have received;
- 10.3.3 there is a solution to nearly every problem of bullying;
- 10.3.4 a pupil who complains will receive support and advice and in many cases the problem can be dealt with on a no-names basis;
- 10.3.5 the primary aim will be for the bullying to cease, not the punishment of the bully unless this is necessary;

- 10.3.6 we may need to support the bully as well so we can address the causes of bullying behaviour.

11 Assessment of concerns

- 11.1 A member of the leadership team will normally see the victim and (unless the case is very serious) any witnesses without delay and form an initial view of the allegation. The assessment will consider:
- 11.1.1 the nature of the incident(s): physical? sexual? verbal? exclusionary? etc
 - 11.1.2 is it a "one-off" incident involving an individual or a group?²
 - 11.1.3 is it part of a pattern of behaviour by an individual or a group?
 - 11.1.4 has physical injury been caused?
 - 11.1.5 who should be informed: Head? Parents? Children's social care? The police?
 - 11.1.6 can the alleged bully be questioned without disclosing the victim's identity?
 - 11.1.7 what is the likely outcome if the allegation proves to be correct?
- 11.2 At this stage, the possible outcomes for an incident which is not too serious include:
- 11.2.1 there has been a misunderstanding which can be explained sympathetically to the alleged victim with advice to the alleged bully; or
 - 11.2.2 the complaint is justified in whole or in part, and further action will be needed.
- 11.3 If at any stage the alleged bullying behaviour raises a safeguarding concern, the School's Safeguarding and child protection policy and procedures should be followed before further investigation is carried out. This will always be the case where consensual or non-consensual sharing nude or semi-nude images or videos / sexting (including digitally manipulated or AI-generated nude or semi-nude imagery) or other harmful sexual behaviours are involved. Where bullying allegedly involves youth produced sexual imagery, staff will not view or forward sexual imagery reported to them and will follow the School's policy on sharing consensual or non-consensual nude and semi-nude images as set out in Appendix 1 of the School's Safeguarding and child protection policy and procedures.
- 11.4 Otherwise, in cases where the member of staff believes that serious bullying behaviour has occurred involving a pupil or has recurred after warnings have been given to the "bully" they will refer the matter to the Head
- 11.5 The Head, Deputy Head or Head of Pastoral Care, as appropriate, will:
- 11.5.1 interview the alleged victim, bully and any witnesses separately, in order to establish the facts of the case. They may decide to ask another senior member of staff to be present; and

² The School will be alert to and take action in response to single incidents where necessary and make appropriate records in order to assist it to spot patterns and to ensure the single incident does not become the first of a series.

11.5.2 send a summary of their findings to the Head and other relevant staff.

11.6 The Head will decide on the action to be taken in accordance with this policy.

11.7 The Head will notify the parents of the victim and bully giving them details of the case and the action being taken. Such action may include further investigation and action in accordance with the School's behaviour management policy.

12 Response to concerns

12.1 When a complaint of bullying behaviour is upheld, the range of responses may include one or more of the following:

12.1.1 consideration as to whether the bullying incident should be addressed as a safeguarding concern and if so, the School's Safeguarding and child protection policy and procedures will be followed;

12.1.2 advice and support for the victim and, where appropriate, establishing a course of action to help the victim, including support from external services where appropriate;

12.1.3 advice and support to the bully in trying to change their behaviour. This may include clear instructions and a warning or final warning;

12.1.4 consideration of the motivation behind the bullying behaviour and whether external services should be used to tackle any underlying issues of the bully which contributed to the bullying behaviour. If these considerations give rise to safeguarding concerns relating to the bullying, the School's child protection procedures will be followed;

12.1.5 a supervised meeting between the bully and the victim to discuss their differences and the ways in which they may be able to avoid future conflict (only with the victim's express agreement);

12.1.6 a disciplinary sanction against the bully, in accordance with the School's behaviour management policy. In a very serious case or a case of persistent bullying, a pupil may be required to leave the School permanently in accordance with the School's behaviour management policy. Any disciplinary action will be applied fairly, consistently and reasonably, taking into account any special educational needs or disabilities and the needs of vulnerable pupils;

12.1.7 action to break up a "power base";

12.1.8 confiscation of mobile electronic devices, increased monitoring procedures or limiting access to the School's internet and email facilities if cyberbullying (see also the School's ICT Acceptable use policy for pupils);

12.1.9 moving either the bully or victim to another House or form group after consultation with the pupil, their parents and the relevant staff;

12.1.10 involving children's social care or the police;

12.1.11 notifying the parents of one or both pupils about the case and the action which has been taken;

12.1.12 notifying external agencies where appropriate;

12.1.13 such other action as may appear to the Head to be appropriate.

12.2 The position should be monitored for as long as necessary thereafter. Action may include:

12.2.1 sharing information with some or all colleagues so that they may be alert to the need to monitor certain pupils closely;

12.2.2 ongoing counselling and support;

12.2.3 vigilance;

12.2.4 mentioning the incident at meetings of staff;

12.2.5 reviewing vulnerable individuals and areas of the School.

13 **Supporting those severely impacted by bullying³**

13.1 The School recognises that removing bullied pupils from school is disruptive and can make it difficult to reintegrate. The School understands in some circumstances, however, the consequences of being bullied may have had a severe impact on a pupil's social, emotional or mental health and may have impacted seriously on a pupil's ability to learn.

13.2 The School will do all that is reasonably possible to ensure bullied pupils continue to attend school and maintain their educational progression by putting in place proportionate short term alternative on-site provision plans where necessary.

13.3 The School will consider the nature and level of support required on a case-by-case basis. Support may include asking the pastoral team to provide support, providing formal counselling, engaging with parents, referring to local authority children's services, completing a Common Assessment Framework or referring to Child and Adolescent Mental Health Services (CAMHS).

13.4 If the pupil is considered to have significantly greater difficulty learning than the majority of those the same age because of the impact of the bullying, the School will consider whether the pupil will benefit from being assessed for special educational needs.

14 **Training**

14.1 **Staff**

14.1.1 The School ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff (including governors) and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles especially:

- (a) having an understanding of the groups who may be more vulnerable to bullying;

³ The DfE's guidance on [Preventing and tackling bullying advice](#) refers schools to the cross Government [No Health Without Mental Health: Implementation Framework](#) which describes the schools role in supporting children and young people's mental health and wellbeing.

- (b) awareness of the risk and indications of bullying, and how to deal with cases;
- (c) counselling skills (including bereavement);
- (d) awareness of the risks of child-on-child abuse including sexual violence and sexual harassment and how bullying may give rise to safeguarding concerns.

14.1.2 The level and frequency of training depends on role of the individual member of staff.

14.1.3 The School maintains written records of all staff training.

14.2 Pupils

14.2.1 We emphasise with older pupils the role which is expected of them in setting a good example and being helpful to younger pupils and each other.

15 Risk assessment

15.1 Where a concern about a pupil's welfare is identified, the risks to that pupil's welfare will be assessed and appropriate action will be taken to reduce the risks identified.

15.2 The format of any such risk assessment may be a stand-alone document or recorded on the School's electronic safeguarding management system. It may vary and may be included as part of the School's overall response to a welfare issue and include the use of individual pupil welfare plans (such as behaviour, healthcare and education plans, as appropriate). Regardless of the format used, the School's approach to promoting pupil welfare will be systematic and pupil focused.

15.3 The leadership team have overall responsibility for ensuring that matters which affect pupil welfare are adequately risk assessed and for ensuring that the relevant findings are implemented, monitored, evaluated and reviewed.

Day to day responsibility to carry out risk assessments under this policy will be delegated to the Head who has been properly trained in, and tasked with, carrying out the particular assessment.

16 Record keeping

16.1 All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.

16.2 School staff maintain records of the welfare and development of individual pupils. Every complaint or report of bullying is recorded centrally and monitored to enable patterns to be identified, both in relation to individual pupils and across the school as a whole and to evaluate the effectiveness of the School's approach.

16.3 The Head will maintain a centralised record of all allegations or reports of bullying, including details of those involved and the action taken.

- 16.4 The Head will monitor the centralised record of bullying incidents on a regular basis to identify patterns in behaviour and the effectiveness of the School's anti-bullying procedures.
- 16.5 The records created in accordance with this policy may contain personal data. The School has a number of privacy notices which explain how the School will use personal data. The School's approach to data protection compliance is set out in the Privacy Notice. In addition, staff must ensure that they follow the School's data protection policies and procedures when handling personal data created in connection with this policy; this includes the School's Privacy Notice.

Appendix 1 Cyberbullying: guidance for pupils

- 1 The Department for Education's guidance **Preventing and tackling bullying** (DfE, July 2017) states that "*The rapid development of, and widespread access to, technology has provided a new medium for "virtual" bullying, which can occur in or outside school. Cyberbullying is a different form of bullying and can happen at all times of the day, with a potentially bigger audience, and more accessories as people forward on content at a click*".
- 2 Cyberbullying is bullying that takes place using technology.
 - 2.1 It can take the form of many behaviours including:
 - a) harmful messages (text, instant, multimedia, email)
 - b) impersonating another person online
 - c) sharing private messages
 - d) uploading photographs or videos of another person that leads to shame and embarrassment
 - e) creating hate websites / social media pages
 - f) excluding people from online groups.
- 3 Pupils should remember the following:
 - 3.1 use the security settings when using technology;
 - 3.2 regularly change your password and keep it private;
 - 3.3 always respect others - be careful what you say online and what images you send;
 - 3.4 think before you send - whatever you send can be made public very quickly and could stay online forever;
 - 3.5 if you or someone you know are being cyberbullied, tell someone. You have the right not to be harassed or bullied online. Tell an adult you trust - your parents, any member of staff or volunteer, or a helpline such as the NSPCC Helpline (0808 800 5000) or ChildLine on 0800 1111;
 - 3.6 don't retaliate or reply online;
 - 3.7 save the evidence - learn how to keep records of offending messages, pictures or online conversations. Ask someone if you are unsure how to do this. This will help to show what is happening and can be used by the School to investigate the matter;
 - 3.8 block the bully. Most social media websites and online or mobile services allow you block someone who is behaving badly;
 - 3.9 don't do nothing - if you see cyberbullying going on, support the victim and report the bullying.
