7 The importance of good attendance

- 7.1 The School recognises the importance of developing good patterns of attendance from the outset. This is an integral part of the School's ethos and culture. In building a culture of good school attendance it recognises:
- 7.1.1 the importance of good attendance, alongside good behaviour, as a central part of the school's vision, virtues, values, ethos, and day to day life;
 - 7.1.2 the interplay between attendance and wider school improvement efforts, building it into strategies on attainment, behaviour, bullying, special educational needs support, supporting pupils with medical conditions and / or disabilities, mental health issues, safeguarding wellbeing, and support for disadvantaged pupils;
 - 7.1.3 the importance of setting high expectations for the attendance and punctuality of all pupils and communicating these regularly and effectively to pupils and Parents;
 - 7.1.4 that attendance is never "solved" and is a continuous process requiring revision and updating of messages, processes and strategies; and
 - 7.1.5 children missing education can act as a vital warning sign to a range of safeguarding issues, including neglect, sexual abuse and child sexual and criminal exploitation.

8 School responsibilities

- 8.1 The School acknowledges that attendance is the essential foundation to securing positive outcomes for all pupils and that everyone has a responsibility to take proactive steps to manage and improve attendance across the School community.

- 8.2 The School will consistently promote the benefits of good attendance, setting high expectations for every pupil and consistently communicating those expectations to pupils and Parents.
- 8.3 Where there are challenges to attendance, the School will work effectively and respectfully with pupils, their families and, where appropriate, local authorities to address them.
- 8.4 The School will respond to non-attendance and / or lateness proactively, firmly, consistently and with care, with appropriate reference to this policy, its safeguarding and behaviour management policies and the School's terms and conditions. It will act in a proportionate and targeted way in response to data or intelligence and ensure intervention is regularly reviewed.
- 8.5 The School will have robust systems in place to track and record attendance, reasons for absence and patterns at an individual level and by cohorts or groups in order to identify pupils at risk of non-attendance and those who are persistently absent and it will monitor and analyse this data regularly to facilitate early intervention to address issues.

9 Staff responsibilities

The SAC

- 9.1 The Proprietor has appointed a senior member of staff of the School's leadership team as SAC to have overall responsibility for championing and improving attendance in school. Details of the individual appointed are at the front of this policy and are widely publicised within School.
 - 9.1.1 The SAC's responsibilities are:
 - (a) to set a clear vision for improving attendance in school;
 - (b) to establish and maintain effective systems for tackling absence and make sure the systems are followed by all staff;
 - (c) to regularly monitor and evaluate progress, including the efficacy of the school's strategies and processes;
 - (d) to have oversight of and analyse attendance data; and
 - (e) to communicate clear messages on the importance of attendance to pupils and Parents.

Staff with specific responsibilities for attendance:

- 9.2 The staff identified in Appendix 1 of this policy have day to day responsibility for monitoring and promoting good attendance and punctuality. They should:
 - 9.2.1 have a formal routine for registers being taken accurately each morning and afternoon;
 - 9.2.2 record all absences promptly and accurately using the processes specified;
 - 9.2.3 seek explanations of absences required from pupils on their return to School;

- 9.2.4 make enquiries about unexplained absences, including those within the school day, and follow up with pupil to ensure that an explanation has been formally given to the School;
- 9.2.5 look out for trends or patterns in a pupil's attendance and inform the SAC of any specific concerns;
- 9.2.6 deal with lateness to lessons consistently and promptly;
- 9.2.7 consider appropriate sanctions for pupils who arrive late to a lesson in line with the School's behaviour management policy; and
- 9.2.8 discuss non-attendance and / or lateness with pupils and Parents (where possible) and emphasise the importance of punctuality and attendance.

All staff

- 9.3 The School ensures that all teaching and non-teaching staff know the importance of good attendance and are consistent in their communication with pupils and Parents about it.
- 9.4 The School provides appropriate training and professional development for staff consistent with their roles and responsibilities.

10 School arrangements

- 10.1 The School will accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence. These registers must be kept electronically. Contact details of relevant staff can be found at the front of the policy and other details about the School's arrangements can be found in the Appendices.

11 Monitoring attendance

- 11.1 The School will undertake regular data analysis to identify and provide additional support to pupils or pupil cohorts that need it, and to look at historic and emerging patterns across the School and develop strategies to address them. Such analysis may include:
 - 11.1.1 monitoring and analysing weekly attendance patterns and trends and provide support in a targeted way to pupils and families;
 - 11.1.2 using this analysis to provide regular attendance reports to form tutors to facilitate discussions with pupils and to leaders (including the special educational needs coordinator and designated safeguarding lead);
 - 11.1.3 undertaking frequent individual level analysis to identify pupils who need support and focus staff efforts on developing targeting actions for those cases;
 - 11.1.4 conducting thorough analysis of half-termly, termly, and full year data to identify patterns and trends;
 - 11.1.5 benchmarking attendance data at whole school, year group and cohort level to identify areas of focus for improvement;

- 11.1.6 devising specific strategies to address areas of poor attendance identified through data;
- 11.1.7 monitoring the impact of school-wide attendance efforts, including any specific strategies implemented; and
- 11.1.8 providing data and reports to the Proprietor to support its work.

12 Pupil responsibilities

- 12.1 School attendance is important to pupil attainment, wellbeing and development. The School therefore has high expectations of pupils as to their attendance and has systems in place to manage poor attendance.
- 12.2 Pupils should be aware that:
 - 12.2.1 they are expected to be present in-person for the duration of each School day;
 - 12.2.2 they are expected to arrive on time and attend all timetabled lessons;
 - 12.2.3 they should not leave a lesson or the School site without permission or otherwise in accordance with School rules;
 - 12.2.4 they should engage with the School's arrangements for recording and managing attendance as set out in this policy;
 - 12.2.5 any unexplained absence will be followed up;
 - 12.2.6 persistent lateness or non-attendance will result in action being taken by the School. This may take the form of:
 - (a) offers of support to seek to identify and address any barriers to attendance;
 - (b) communication with parents;
 - (c) reporting to other agencies such as children's social care; and
 - (d) sanctions against them or their Parents in line with the School's behaviour management policies.
 - 12.2.7 If pupils are having difficulties that might discourage or prevent them from attending School or specific lessons regularly, they may speak to any member of staff, although the School encourages them to speak to their form tutor or those staff identified in Appendix 1 in the first instance. Pupils are entitled to expect this information to be managed sensitively.

13 Additional needs

- 13.1 The School recognises some pupils may find it harder than others to attend School, and will work with those pupils and parents to try to remove barriers to attendance by building strong and trusting relationships and working together to put the right support in place. {There is an ISBA document "Dealing with Attendance Issues – Pupils with Health / Medical

Conditions and Special Educational Needs” document number 3047 which will provide some guidance.}

- 13.2 The School will make reasonable adjustments¹ where a pupil has a disability that puts them at a substantial disadvantage, in comparison with pupils without a disability, in relation to school attendance.
- 13.3 It will also work with Parents, and where appropriate with the local authority, to develop specific support approaches for attendance for pupils with special educational needs and disabilities e.g. ensuring the provision outlined in a pupil's education, health and care plan is accessed.²
- 13.4 Where a pupil has an education, health and care plan the School will communicate with the local authority where the pupil's attendance falls or the School become aware of barriers to attendance that relate to the pupil's needs.
- 13.5 Suitable strategies and support will also be considered for pupils with any social, emotional or mental health issue that is affecting their attendance.³
- 13.6 Where barriers are outside of the School's control, the School will work with Parents and pupils to identify alternative sources of support or consider, where appropriate, making a referral for early help.
- 13.7 The School will make a sickness return to the local authority if a pupil is recorded in the attendance register as absent using the national absence code I (unable to attend because of sickness) and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive or cumulative school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.

14 Parent / carer responsibilities

- 14.1 The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education.
- 14.2 This means pupils must attend every day that the School is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the School.
- 14.3 The School will help Parents to understand what is expected of them and why attendance is important to their child's attainment, wellbeing, and wider development and provide clarity on the short and long term consequences of poor attendance.

¹ In this case to meet the school's duty to make reasonable adjustments for pupils with a disability under section 20 of the Equality Act 2010.

² The Mental health issues affecting a pupil's attendance: guidance for schools states in the non-statutory summary of responsibilities document that "in many cases the school may be able to agree with parents / carers adjustments to its policies and practices that are consistent with the special educational provision set out in the EHC plan. In other cases, additional or different attendance support identified may require the LA to review or amend an EHC plan."

³ See Mental health issues affecting a pupil's attendance: guidance for schools which includes a Summary of responsibilities where a mental health issue is affecting attendance and Support for pupils where mental health is affecting attendance: effective practice examples

14.4 Expectations the School places on Parents can be found in Appendix 1 of this policy.

14.5 Parents are bound by the terms relating to conduct and attendance in the parent contract and failure to ensure a child's attendance or engage with the School about it could amount to a breach of contract or a finding that the parent is treating the School unreasonably.

15 Training

15.1 **Staff:** The School ensures that regular guidance and training on attendance is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. As a minimum this will include all staff understanding:

15.1.1 the importance of good attendance and that absence is almost always a symptom of wider circumstances; and

15.1.2 the School's strategies and procedures for tracking, following up and improving attendance.

15.2 Dedicated attendance training is provided to any member of staff with a specified attendance function in their role, including administrative, pastoral and senior leaders. This should include:

15.2.1 the law and requirements of schools including on the keeping of registers;

15.2.2 the process for working with other partners to provide more intensive support to pupils who need it;

15.2.3 the necessary skills to interpret and analyse attendance data; and

15.2.4 any additional training that would be beneficial to support pupils and pupil cohorts overcome commonly seen barriers to attendance.

15.3 The School maintains records of all staff training.

16 Information sharing

16.1 Personal information on attendance will only be shared in line with legal obligations and having regard to government guidance on attendance, safeguarding and children missing education.

16.2 The School, local authorities and other local partners should work jointly and share data on individual cases where it is of benefit to a pupil (e.g. health services where there are medical conditions or the police where there are extra-familiar harms).

16.3 Where appropriate the schools will attend regular targeting support meetings.

16.4 The School is legally required to share certain information from the registers with the local authority which it does as required.

16.5 The law allows local authority officers access to the attendance and admission registers of all types of schools to carry out their functions under the Education Acts to support joint

working between schools and local authorities. These officers are also permitted to take digital or physical extracts of the School's registers.

- 16.6 The School must provide specific pupil information on request to the Secretary of State. [The School meets this requirement by having an electronic management information system containing the required information that can be accessed by the DfE. The School also uses this tool to monitor pupil level attendance and understand trends in attendance patterns.]
- 16.7 Where appropriate, the School is expected to inform a pupil's social worker and / or youth offending team worker if there are unexplained absences.

17 Record keeping and confidentiality

- 17.1 All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.
- 17.2 The information created in connection with this policy may contain personal data. The School's use of this personal data will be in accordance with data protection law. The School has published privacy notices on its website which explain how the School will use personal data.

Appendix 1 School arrangements

1 Managing attendance

- 1.1 The School monitors, records and shares data about pupil attendance and as part of its duty to safeguard and protect pupils and promote attendance. It accurately completes admission and attendance registers as required by law and set out in Appendix 2 and Appendix 3 respectively. The admission and attendance registers must be kept electronically and retained by the School for the relevant time period as stated by law.
- 1.2 The School expects all pupils to be present at School for the whole of the School day, usually from registration at 8:35am to close at 4pm, but this period may be extended, for example for out of school clubs, sports fixtures or school trips.

2 The role of Parents / carers

- 2.1 The School expects all Parents to:
 - 2.1.1 make any application for an authorised leave of absence at the earliest opportunity;
 - 2.1.2 notify the School of any absence or delay as soon as reasonably possible in accordance with this policy and when doing so, give an accurate explanation for this; and
 - 2.1.3 cooperate with the School to explore possible barriers to attendance and to improve it where attendance has been raised as an issue.
- 2.2 Parents should ensure their child has arrived on site by 8:30am, allowing time to access lockers before morning registration begins at 8:35am.

3 Registration and attendance checks

- 3.1 Morning registration is at 8:35am. The registers will remain open for 25 minutes after the start of morning registration.
- 3.2 Afternoon registration takes place at the start of the first afternoon lesson (1:45pm in the junior school and 2pm in the senior school).
- 3.3 Once the morning and afternoon registers close, a pupil will be recorded as absent if not present in the classroom / lesson.
- 3.4 If a pupil is absent when the register started being taken but arrives before the register is closed they will be recorded as a late arrival (code L).
- 3.5 If a pupil arrives after the register has closed but before the end of the session without a satisfactory explanation e.g. because of an unavoidable cause, then this will be recorded as an unauthorised absence (code U) and the reasons given / not given will be recorded.

- 3.6 Pupils arriving late must report to the Head's reception (senior school pupils) or junior school office (junior school pupils) to register. Junior school pupils must also sign the 'late book'.

4 Reporting absence

- 4.1 If a pupil is to be absent from School for any reason, the parent/carers should contact the following below by email / telephone by 9:30am (at the latest) on first morning of absence;
- 4.1.1 for senior school pupils, an email to registration@exeterschool.org.uk with a copy to the pupil's form tutor; and
- 4.1.2 for junior school pupils, a telephone call to the junior school reception or an email to jsreception@exeterschool.org.uk.
- 4.2 Where paragraph 4.1 is not followed by the parent/carers, the attendance officer will contact the pupil's period 1 teacher. Where the pupil has not attended period 1, the attendance officer will telephone the pupil's emergency contact via the details provided to School to ascertain the reason for absence. Where telephone contact is not achieved, the attendance officer will inform a member of the safeguarding team for its attention.
- 4.3 Where a pupil is ill, the School should be notified of the nature of the illness.

5 Arrangements for reporting subsequent absence

- 5.1 Absence will be recorded on the Attendance Register as set out in Appendix 3.

6 Managing absence

- 6.1 Attendance data is reviewed on an ongoing basis to identify patterns of poor attendance (at individual and cohort level) as soon as possible so that all parties can work together before any poor attendance becomes entrenched.
- 6.2 In addition, attendance data is formally reviewed three times per academic year, at the end of the:
- 6.2.1 Autumn term;
- 6.2.2 Spring term; and
- 6.2.3 Summer term
- so that patterns and trends may be identified and acted upon as soon as possible
- 6.3 Parents may access attendance data for their child via their login to the School portal.
- 6.4 The School values attendance and includes attendance summary data to pupil reports. To help Parents and pupils better understand the impact of attendance on education, the School will share the attendance figure as a percentage with an

equivalent (approximate) number of days and lessons missed for the reporting period.

- 6.5 Any pupil with less than 95% attendance will be discussed by the School's safeguarding team and head of year. The School will communicate with the pupil and parents where concerns about punctuality or attendance arise with the aim to improve attendance.
- 6.6 Any pupil with less than 92% attendance will be discussed by the School's safeguarding team and head of year. The School will communicate with the pupil and parents to inform them about the risks of having 90% or less attendance and becoming classified as persistently absent. Parents are encouraged to share reasons behind the absence to ensure support strategies can be implemented to improve attendance in the short and long term.
- 6.7 Where a pupil has less than 90% attendance and there has been no improvement in School attendance, parents will be invited into School to meet with a member of the safeguarding team and the pupil's head of year. The aim of such meeting will be to explore underlying causes of non-attendance and how best the School can support the pupil and parents with School attendance. An attendance plan should be agreed by the School, parents and pupil. Where an at-risk factor is identified, this will be factored in the support plan. If an attendance plan cannot be agreed, consideration will be given by the School to an early help assessment with the local authority.

7 **Authorised absences**

- 7.1 Authorised absence means that the School has either given approval in advance for a pupil to be away (granted an authorised leave of absence) or has accepted an explanation offered afterwards as justification for absence.

8 **Applications for an authorised leave of absence**

- 8.1 Applications for authorised leaves of absence during the School day will only be granted in exceptional circumstances and will only be permitted if made in writing to the Head for senior school pupils and to the Head of the junior school for junior school pupils.
- 8.2 The School will consider each application for an authorised leave of absence individually, taking into account the specific facts and circumstances, the pupil's past attendance record and the relevant background context behind the request.
- 8.3 Apart from illness or where there are additional needs, no pupil should be away from School without prior permission from the Head for senior school pupils and to the Head of the junior school for junior school pupils
- 8.4 Dental or medical appointments should be made during School holidays or after the school day except in cases of emergency when the Head of Year for senior school pupils and Head of the junior school for junior school pupils should be informed.
- 8.5 If a leave of absence is granted, it is for the Head for senior school pupils and for the Head of the junior school for junior school pupils to determine the length of the time

the pupil is or was permitted to be away from School. It will be recorded as an authorised absence. See section 3 of Appendix 3 for more details.

- 8.6 A leave of absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which Parents belong. Parents are expected to make a request for this type of leave of absence in advance.

9 Reporting duties

- 9.1 The School is legally required to share information from their registers with the local authority which it does as required. This may include:
- 9.1.1 **New Pupil and Deletion returns:** notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times.
 - 9.1.2 **Attendance returns:** providing the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been absent for a continuous period of ten school days where their absence has been recorded with one or more of the codes statistically classified as unauthorised (G, N, O, and/or U).
 - 9.1.3 **Sickness returns:** providing the local authority with the full name and address of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness. Only one sickness return is required for a continuous period of sickness in a school year.
- 9.2 In the event that a pupil holding a Student or Child Student visa sponsored by the School under the Points Based System goes missing, the School will report to UKVI if the pupil misses ten consecutive expected contact points.
- 9.3 Each morning registration is treated as a contact point for these purposes.
- 9.4 The report will be made by the School's Level 1 user via the Sponsor Management and in accordance with prevailing UKVI guidance.
- 9.5 Action will also be taken in accordance with the Safeguarding and child protection policy if any absence of a pupil from the School gives rise to a concern about their welfare.

Appendix 2 Admission register

1 Admission register

- 1.1 In accordance with the requirements of the School Attendance (Pupil Registration) (England) Regulations 2024 the School will:
 - 1.1.1 maintain an admission register of all pupils (of both compulsory and non-compulsory school age) admitted to the School (also known as the school roll); and
 - 1.1.2 inform the local authority of any pupil who is going to be added to or deleted from the School's admission register at non-standard transition points.
- 1.2 The admission register must be kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.
- 1.3 The school must ensure that every entry in the School's admission register is preserved for six years beginning with the day on which the entry was made; and every back-up copy of the register is preserved for six years after the end of the school year that it relates to.
- 1.4 The admissions register contains specific personal details of every pupil in the School, including their date of admission, information regarding Parents and carers and details of the school they last attended.
- 1.5 A pupil's name can only be deleted from the admission register for a reason set out in regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. When any of the situations set out in regulation 9 occurs, the pupil's name must be deleted.
- 1.6 Where the School notifies the local authority that the pupil's name is to be deleted from the admission register, the School must provide it with the following information:
 - 1.6.1 the full name of the pupil;

- 1.1 The School records and monitors the attendance of all pupils (both of compulsory and non-compulsory school age) in accordance with the School Attendance (Pupil Registration) (England) (Regulations) 2024.
- 1.2 The School uses the appropriate national attendance and absence codes system to enable it to record and monitor attendance and absence in a consistent way which complies with regulation 10 of the Attendance Regulations.
- 1.3 The attendance register is kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.
- 1.4 The School will also use these records to identify patterns of poor attendance (at individual and cohort level) and work with pupils and Parents to resolve any issues before they become entrenched.
- 1.5 The School is required by law to take attendance registers twice daily - once at the start of the morning session and once during the afternoon session.
- 1.6 On each occasion it will be recorded whether every pupil is:
 - 1.6.1 physically present in school when the attendance register begins to be taken; or
 - 1.6.2 absent from the school when the attendance register begins to be taken but attends before the taking of the register has ended; or
 - 1.6.3 attending a place other than the school; or
 - 1.6.4 absent.
- 1.7 The circumstances in which a pupil may be recorded as attending a place, other than the school, can include:
 - 1.7.1 attending educational provision arranged by a local authority;
 - 1.7.2 for an educational visit or trip arranged by or on behalf of the school and supervised by a member of school staff;

Examples include:
 - 3.1.1 holiday has not been authorised by the School or is in excess of the period determined by the Head;
