Due date

It is a condition of your contract with the school that all fees invoices must be paid by the first day of each term. For the academic year 2026/27 the due dates are therefore 7 September 2026, 6 January 2027 and 12 April 2027. In the event of late payment, the rate of interest charged will be at 1.5% per month accruing on a daily basis. This late payment charge will be added to subsequent invoices.

Notice

As set out in the school's *Terms and Conditions*, one full term's notice in writing is required before the withdrawal of a pupil from the school, otherwise a full term's fees in lieu of notice will be due.

Payment

Fees may be paid by direct transfer into the school's Barclays bank account. The account number is 80523755 and the sort code is 20-88-44. Please note new bank account details for September 2026. The parent code, shown on the bill as a number, or your child's name must be quoted as the reference for this payment. Exeter School does not accept credit or debit cards for the payment of school fees.

Personal accident and dental insurance

This covers serious injury of a lasting nature occurring during term time or holidays as well as dental treatment arising as a result of a dental accident or emergency. This is included in the termly fees.

Personal items

The school strongly recommends that all pupil's personal clothing and property is covered under a family insurance scheme, in particular high value items such as bicycles, musical instruments and electronic devices. All personal possessions brought into school should be clearly labelled/marked with the pupil's name. Claims against the school's own insurance policy will only be entertained when the school is found liable.
